Buffer stock of wheat and rice

704. SHRI MURLIDHAR CHANDRAKANT BHANDARE: Will the Minister of FOOD be pleased to refer to the reply to Unstarred Question 2179 given in the Rajya Sabha on the 12th March, 1993 and state :

(a) whether there has been improvement in the procurement position of wheat and rice and at the same time there is low off-take from the buffer stock of wheat and rice; if so the manner in which the buffer stock is proposed to be managed;

(b) what is the likely impact of increased buffer stock on food subsidy ; and

(c) the details of steps taken to increase off-take of foodgrains from the buffer stock ?

THE MINISTER OF STATE OF THE MINISTRY OF FOOD (SHRI KALP NATH RAI) : (a) to (c) Yes, Sir. There has been improvement in the procurement of wheat and rice during the current procurement seasons. Low offtake of the foodgrains (both wheat and rice) has been due to easy availability of foodgrains in the open market. The stocks of rice and wheat in the Central Pool as on 1-7-93 are 92·73 lakh Metric Tonnes and 148·89 Metric Tonnes respectively against the minimum stocks of 92·0 lakh Metric Tonnes of rice and 131·0 lakh Metric Tonnes of wheat prescribed to be maintained as per buffer stocking policy. The excess in stocks are only 18·62 lakh tonnes and the Government incur holding expenses. This temporary excess will comdown when offtake increases by additional allocations and better movement.

Procurement of Wheat and Rice

705. SHRI SHANTI TYAGI: Will the Minister of FOOD be pleased to state :

(a) whether it is a fact that procurement of wheat and rice this year is the highest;

(b) if so, what are the procurement figures for wheat and rice separately for the year 1992-93;

(c) whether Government are considering to export wheat and rice during the year 1993-94; and

(d) if so, the details in this rega d

THE MINISTER OF STATE OF THE MINISTRY OF FOOD (SHRI KALP NATH RAI) : (a) Yes, Sir. The procurement of rice (including paddy in terms of rice) and wheat during the current 1992-93 kharif marketing season and 1993-94 rabi marketing season respectively has reached the highest level achieved so far.

(b) A total quantity of 130·24 lakh tonnes of rice (including paddy in terms of rice) has been procured in the country as on 23rd July, 1993 during 1992-93 kharif marketing a season which includes a quantity of 12·50 lakh tonnes of rice (including paddy in terms of rice) procured by Gujarat and Tamil Nadu, which do not contribute rice for the central pool.

Procurement of wheat during 1992-93 rabi marketing season was 63·80 lakh tonnes. However, a total quantity of 128·29 lakh tonnes of wheat has been procured during the current 1993-94 rabi marketing season as on 23rd July, 1993.

(c) and (d) No decision has yet been taken by the Government to export wheat and rice from Government stocks during the year 1993-94.

Licences issued for opening of New Sugar Mills

706. SHRI SHANTI TYAGI: Will the Minister of FOOD be pleased to state:

(a) whether it is a fact that the Central Government have since decided to issue licences to 69 sugar mills in the country during the Eighth Plan period;

(b) if so, the break-up of these sagar factories, State-wise; and

(c) by when the decision is likely to be taken to open new sugar factories in Uttar Pradesh?

THE MINISTER OF STATE OF THE MINISTRY OF FOOD (SHRI KALP NATH RAI): (a) and (b) The letters of Intent for setting up of new sugar factories are issued by the Ministry of Industry on the basis of recommendations of screening committee/Licensing Committee keeping the financial and technical viability of the projects and the Liencensing Policy Guidelines. In view of this the exact number of new sugar mills to be licensed during the Eighth Five Year Plan, State-wise, would be known only after the secrutiny of the applications by the said committees.

(c) After the screening process is complete, the recommendations will be considered by the Licensing Committee in the Ministry of Industry for issuance of letter of intent/licences, to open new sugar factories in Uttar Pradesh.
